## Department of Microbiology Suri Vidyasagar College

### Report on Educational Visit

Department of Microbiology, Suri Vidyasagar College had organized an industrial visit from 11.04.2022 to 16.04.2022 to Darjeeling for the 2<sup>nd</sup> semester students of the department. Sri Amarnath Chattopadhyay and Sri Ramkrishna Roy were the co-ordinators faculty for the industrial visit.

We visited a local Bakery industry namely Raju Bakery and Happy Valley Tea Estate. In bakery, it started with a hands-on presentation explaining the different parts of the machinery used in making of different bakery products. Then the full process along with fermentation was explained by the manager of that bakery unit. At Happy Valley Tea Factory we participated in a guided factory tour. The complete tea processing including withering, crushing, cutting, tearing, curling, fermentation, drying, cleaning and grading was explained very clearly.
