STUDENTS' FEEDBACK REPORT

(2019-2020)

Objective: The college has obtained feedback from students to prepare IQAC AQAR through online mode for the session 2019-2020. The main objective of the feedback is to get knowledge about different levels of satisfaction among the students about teaching, learning and evaluation process. This process not only helps teachers to identify about their strengths and weaknesses but also encourages students to actively participate in overall development of the college.

Methodology: The survey was conducted by circulating a google form among students. A questionnaire was set up containing five different aspects about teachers' performance. The responses were received on a five-point scale: very good, good, average, poor and very poor. After compilation of the data, they have been presented in pie chart.

Observations and Conclusion:

Students' feedback regarding above mentioned attributes are quite satisfactory. Teachers should be encouraged to maintain their performance and valued guidance to the students. Although there is always room for improvements and they should thrive for same. However very few percentages of teachers' performance in every attribute do not match the expectations and it requires sincere attention.
