## STUDENTS' FEEDBACK REPORT

(2020-2021)

**Objective:** The college has obtained feedback from students to prepare IQAC AQAR through online mode for the session 2020-2021. The main objective of the feedback is to get knowledge about different levels of satisfaction among the students about teaching, learning and evaluation process. This process not only helps teachers to identify about their strengths and weaknesses but also encourages students to actively participate in overall development of the college.

**Methodology:** The survey was conducted by circulating a google form among students. A questionnaire was set up containing five different aspects about teachers' performance. The responses were received on a five-point scale: very good, good, average, poor and very poor. After compilation of the data, they have been presented in pie chart.

## Observations and Conclusion:

Students' feedback regarding above mentioned attributes are quite satisfactory. Teachers should be encouraged to maintain their performance and valued guidance to the students. Although there is always room for improvements and they should thrive for same. However very few percentages of teachers' performance in every attribute do not match the expectations and it requires sincere attention.

## Conclusion:

The feedback obtained from parents shows satisfactory results. In addition to this, various suggestions have been collected from the participants on further improvement of academic environment of the college to open doors for more opportunities in near future.

## Action taken:

During lockdown condition college campus was closed for long period of time. College took steps to address feedback on facilities and to adapt new situations.

- Upgraded digital infrastructure to ensure robust online learning.
- College took opportunity to perform maintenance and upgrades on facilities to ensure they were in optimal condition upon reopening.
- Teachers took the online platform to help students cope with the stress and isolation caused by the lockdown.
- Equipment is provided to increase ICT based facilities for different departments.
- Laboratory infrastructure has been improved in some science departments like Microbiology and Botany.
- Digital Library Management System software have been upgraded to next advanced version.
- Books and Journals are increased in library collection to support the academic and research needs of the students and faculty.
- Sports equipment has been increased to facilitate students with improved sports infrastructure.
