Library Report

The library at Suri Vidyasagar College stands as a beacon of innovation, consistently at the forefront of incorporating digital technologies to elevate the teaching and learning experience for both our esteemed staff and students.

Recognizing the ever-evolving landscape of technological breakthroughs and the remarkable advancements in Integrated Library Management Systems (ILMS), we recently made a strategic transition to Koha version 22.05.14.000. This cutting-edge ILMS now serves as a testament to our commitment to staying technologically updated and providing our academic community with an intuitive and state-of-the-art platform.

By embracing Koha, we harness the power of contemporary technology to not only meet but exceed the expectations of our users, enhancing the efficiency and overall effectiveness of our library services. This transition underscores our unwavering dedication to offering the best possible resources and experiences to our academic community.

Moreover, the organization of Suri Vidyasagar College Library into dedicated morning and day sections, catering respectively to B. Com and B.A/B.Sc. students showcase our commitment to tailored academic support. The inclusion of specialized departmental libraries, along with a robust book archive section and an extensive physical book collection, further accentuates our commitment to providing a comprehensive and enriching learning environment.

At present the College Library has three Sections. There are fifty-one thousand one hundred seventy-four (51174) books in Day Section, five thousand seven hundred twenty-eight (5728) books in the Commerce section and five thousand three hundred thirty-three (5333) books in the Morning Arts section (up to 2023-24).
