The training was for 90 hours in digital mode. Among 104 students sent, eighty-five students enrolled for the training and finally 22 students completed the programme. After the completion of the training four of our students got placement in TCS. The placement cell also arranged employability and domain skills training under the name 'Mahindra Pride Classroom' to equip the students with essential life skills and soft skills during 13.03.2023 to 28.03.2023 (6 days) conducted by 'Nandi Foundation' of Mahindra and Mahindra. The training was for 30 hours and only for female students. More than 100 girls enrolled in the programme. The placement cell of our college also organized a placement drive by 'Bajaj Allianz' on 23.03.2023. Six of our students were selected for placement but the students were not satisfied with the packages and terms of employment, and they refused to join the organization. SBI Life also conducted a placement drive for our students. But the result was the same. Our students were not satisfied with the packages as well as terms of services.

The meeting held on 08.02.2023 was chaired by the Principal Dr. Tapan Kumar Parichha.

The convenor of the committee read the minutes of the last meeting held on 27.06.2022 in virtual mode and members present in the meeting confirmed the minutes accordingly.

The convenor informed that the 2nd 'Youth Employability Programme' of TCS has been successfully completed. But the participation of the students was very poor. The TCS trainer, Bhaskar Purkayastha, has expressed deep concern over the issue. He has reported that out of 104 students sent, only 22 students have completed the training. He requested us to look into the matter with utmost care so as to reduce this drop out.

It was decided that the next YEP would be organised by creating a relevant pool of students on departmental basis for honours and general students with a focus on the eligibility criteria set by TCS for the YEP programme. Thereafter a meeting will be held with the selected students before preparing the final list for the Programme.

The convenor reported that another corporate house, Mahindra & Mahindra also have wanted to conduct a similar employability skill development programme called Mahindra Pride Classroom as their CSR initiatives for only female students of 5th and 6th semester in offline mode. The members present in the meeting gladly accepted the proposal and agreed to organise the same. It was decided that all necessary steps would be taken for the Programme.

The convenor also informed that Bajaj Allianz Life Insurance wants to hire students from our college for their local and regional branches. It was resolved that students who have already completed training under the previous YEP will be informed about the above opportunity.

It was also decided that in case of insufficient applicants, neighbouring institutions may be encouraged to send their students to the upcoming YEP.

Career Mela will be organised in future.

There being no other items for discussion the meeting ended with a vote of thanks to and from the chair.
