Report on Parent –Teacher Meeting (PTM)

Every year Suri Vidyasagar College conducts parent-teacher meeting during the last week of December before the final examination when normal classes remain suspended. Our teachers talk to the guardians regarding the academic performance of the students, offer valuable suggestions and seek feedback from them as well. PTM also involves discussions about co-curricular and extra-curricular activities of the students. Parents share their own views at the end of the meeting and even write their comments. This is how a strong connection between the teachers and the parents smoothens the teaching-learning process at Suri Vidyasagar College.
