Vidyasagar College and Honourable Members, IQAC, Sambhu  
Nath College, Labpur, Dr. Chandrik Malakar, HOD, Department  
of Zoology, Suri Vidyasagar College

**Speaker: Mr. Mohan Thomas**, Eminent Nature &  
Wildlife Photographer, Recipient of **Muthukulam  
Raghavan Award (2015)**

We would like to welcome you all to come onboard as we embark upon a journey through the ecological hotspots of our planet Earth from the Rainforests of Western Ghats to the Himalayan Terai, from the mystical landscape of Iceland and Arctic fjords to the Holarctic Ecozone of Kamchatka. In between we may dwell in the Amazonian Rain Forest of Brazil or the Open Grasslands of Mara in Africa, as Mr. **Mohan Thomas** takes us to this mesmerizing journey, through his photography and words and hopefully instill among us compassion towards nature and insinuate the importance of conservation efforts. It is high time that we understand the irreparable damage that we are causing to our fragile ecosystems and the cost our future generations has to pay. Hopefully we will open our eyes to this whole new world where nature and humans can coexist harmoniously.

Registration is Free

Registration link: [CLICK HERE](#)

- Registration is mandatory. Registration link will remain open till 09:00 PM of 07.09.2020.
- Maximum number of participants in *Zoom* is 100.
- After registration we will invite you to join a *WhatsApp* group with invitation link via *email*.
- In the *WhatsApp* group the *Zoom* and *YouTube live* links will be provided 20 minutes before the start of the webinar.
